RE: Victory Political Action Committee  
FEC ID C00344374

Dear Sir:

This letter is in response to several letters dated January 31, 2001, from the Federal Election Commission regarding administrative expenses of the Victory Political Action Committee.

This committee has very little overhead expense; it rents no office space, pays no salaries, and all administrative duties and work is provided on a volunteer basis.

All expenses that have occurred have been reported as required, and it is hoped that this response clarifies your questions.

Sincerely,

Paul J. Bedinghaus, Treasurer  
Victory Political Action Committee
